Market Day Munchies

Thank You, Thank You, Thank You...

Thanks to all the long-time (and occasional!) supporters of Market Day! Your commitment and dedication have raised over \$81,000 for Holy Cross!

Have you never, ever purchased from Market Day? Too expensive? Too silly? Not worth your time? Would rather sell candy bars?

Check out these customer testimonials and consider making your first Market Day order this month!!

From Peggy Loftus (3K and 1T)

"I've been buying from Market Day for 3 years now. I tend to buy about \$40/month and select "treat" products for my family. Things like french toast sticks, pizza eat-zzas, gatorade bottles for the summer, or cookie dough. Check out the "Clearance" section of the web site too - I find lots of good buys there, especially in preparation for holidays a few months in the future.

For November's sale I am buying item #4585 - Holiday Cookie Shapes Kit. I love sugar cookies at Christmas, but hate rolling dough. These are delicious cookies! I let my 4 kids decorate them. And because I am not rolling dough I get more time to supervise the decorating, so more sprinkles go on cookies and not on the floor (or in tummies!!)

MMMMM.... I LOVE pie!!

Did you know that pioneer women in the 1700s often served pies with every meal? Food was at the heart of family celebrations and gatherings, so pie quickly moved to the forefront of contests at county fairs, picnics and other social events. Nothing says comfort food more than a warm pie!!

November is ***Dessert Bonus Days*** with Market Day!! Get ready to make your favorite homemade pie for the holiday and add a Market Day pie to the festivities to round off the options!!

When Holy Cross sells:

0-99 desserts, we earn a 15% profit
